Dear Mr. Harteis:

59 South Prospect Street  
Hartford, Connecticut  
06106

It is a great pleasure to inform you that the William Meredith House, 337 Kitemaug Road, in Uncasville, Connecticut, was listed on the State Register of Historic Places by the Connecticut Historic Preservation Council on December 5, 2007.

(v) 860.566.3005  
(f) 860.566.5078

The State Register of Historic Places is an honorary designation established by the General Statutes. Although the designation does not prevent a property owner from demolishing a structure, the State Register guides local officials, State agencies, and the general public in identifying historic properties.

It is my sincere hope that this designation will serve to encourage the protection of this important historic resource. We appreciate your concern for historic preservation.

If you have any questions, or if this office can be of assistance, please call Cora Murray at 860-566-3005.

Sincerely,

Karen Senich, Deputy State Historic  
Preservation Officer
